

IEEE ICA-ACCA 2026

International Conference on Automation

XXVII Congreso de la Asociación Chilena de Control Automático (ACCA)

December 9-11, Universidad del Bío-Bío, Concepción, Chile

CALL FOR PAPERS

Celebrating the 52nd Anniversary of ACCA's commitment to the advancement of automation and control sciences in Chile.

Topics include, but are not limited to, the following areas:

Advanced Control

Engineering Education

Artificial Intelligence

Big Data

Biomedical Engineering

Communication Systems

Quantum Technologies

Computational Intelligence

Computer Vision

Precision Agriculture

Industry 4.0+

Industrial Automation

Industrial Engineering

Renewable Energy

IoT, IIoT & Sensor Networks

Power and Energy Systems

Process Control

Robotics and Automation

Signal Processing

Virtual Reality

Microelectronics

IMPORTANT DATES:

30/06/2026:

Submission Deadline

30/09/2026:

Notification

10/10/2026:

Early Registration

20/10/2026:

Camera Ready

SUBMISSION GUIDELINES:

- 6-page manuscript in English, Portuguese, or Spanish
- Official IEEE Microsoft Word or LaTeX templates
- Submission via EasyChair
- No additional authors allowed after acceptance

ORGANIZERS:

UNIVERSIDAD DEL BÍO-BÍO

ORGANIZING COMMITTEE:

More information at:

- José Silva (Conference Chair)
- Cristian Durán (Program Chair)
- Álvaro Alarcón (Program Chair)
- Christopher Flores (Finance Chair)

TECHNICAL SPONSORS:

Chile Sur Section

Sección Chile Centro
